

Reinforced Crates in Decorative Light Alloy

For tradesmen, service engineers, industry and hobby use

Description

- Textured, largely scratch resistant surface
- Lid and container rims with stable, hardened extruded profiles
- Hinged lid with full rubber seal
- 2 retaining straps (press button system)
- Lid removable if required
- Corner radius 30 mm
- 2 spring-drop handles (Model A 1589 / 26 with a single spring-drop handle on the lid, Model A 1599 / 42 with an additional spring-drop handle on the front end)
- The profiled reinforcements on the upper rim of the container reduce the length and width of the crate by approximately 10 mm.

Options (see Page 2)

- Special locks for security
- Divider system
- Models A 1599 / 42, 60, 73 and 81 can be fitted with a plastic insert case.
